

Associate Partner Portal Master Package — File Guide

Files:

1. `Associate\_Partner\_Portal\_Master\_Project\_Guide.pdf` — full blueprint.
2. `Associate\_Partner\_Portal\_Master\_Project\_Guide.docx` — editable version.
3. `ANTIGRAVITY\_MASTER\_PROMPT.md` — single master prompt.
4. `PHASE\_IMPLEMENTATION\_PROMPTS.md` — focused prompts for each phase.
5. `HOSTINGER\_DEPLOYMENT\_AND\_QA\_CHECKLIST.md` — deployment and acceptance checklist.
6. `sonthillu\_logo.png` — extracted working PNG copy of the supplied exact logo.

Use the Master Prompt first. Then execute one phase prompt at a time. Do not ask Antigravity to build all phases in one turn.
